Sleeping with the Fishes

Spend a night with the fish at the Aquarium. Participants will learn about reptiles, sharks and will make their very own Gyotaku T-shirt. Sleep in front of our 235,000-gallon Cape Fear Shoals tank as sharks, eels, and a sea turtle swim close by. Eat breakfast and tour the Aquarium before it is open to the public. Snacks, craft supplies, and breakfast are provided. This program requires a minimum of 10 participants and a maximum of 30 participants. The cost for this program is \$45.00 per participant (adults and kids).

Program Descriptions

Reptiles from the Cape Fear

Learn about the habits and habitats of various reptiles of the Cape Fear Region with this live animal presentation. Alligators, turtles, or snakes will be highlighted.

Sharks Inside and Out

Participants will learn the characteristics of sharks in this interactive presentation on shark anatomy and behavior. Discover how sharks swim, why they have no bones, and how they replace their teeth.

Gyotaku

Learn Gyotaku, the ancient art form of Japanese fish printing. Discover the history behind this craft, and make a Gyotaku T-shirt to take home.

***We recommend that you have dinner before your arrival.**
